

Wilmot History Society
June 9, 2022

Members present: Catherine Stearns, Fred Ogmundson, Heather Mather, Bill Chaisson, Liz Kirby (arrived later)

Public present: Bruce Sanborn

Catherine filled in as chair.

Old Business

Bruce has spoken with Walter Walker, who wants to change the membership of the Town History Committee. Bruce is not interested in being a member. The day before the meeting Bruce returned some genealogy files stored at Walter's house and took away some more. He is up to O in the alphabet. The scans he is making will be printable. We will never have to touch the delicate original documents.

Fred summarized the history of the Town History committee. Walter inherited all of Florence Langley's records.

Bill summarized the WHS Wander Wilmot walk for July 23, which will visit two mill sites, probably the Johnson mill near Gardner Memorial Park and the Dodge mill at the end of Sugarbush Road.

The WHS will be the vendor at the Bandstand Concert on August 20. They will probably serve Denise's mac and cheese.

Docent slots still need to be filled for the Saturdays in the Historical Room during farmers markets in July and August.

Liz will ask Lindy for her key to the shed behind the Town Offices.

Mary Jane Ogmundson said it would be better to color the WHS logo digitally rather than with watercolors. Bruce said he would ask Kelsie Clarke if she could do that. I have done this already in Photoshop. What color are you looking for?

New Business

WHS will do the Old Time Fair in Andover. We need volunteers for 9 a.m. to 2 p.m. on August 7.

Catherine will be going to the select board to ask for (1) a sign for the North Road School site (there should be money in the history committee account) and (2) to request historical status for the remaining stone culverts in town. Does this mean the town can get funding to maintain them?

Next meeting is July 14, 2022
